want you to let me see you
your privet parts are stiking up,
press me when you tell me to get
in the bath and let dry my self,
let me wash my body. I do not
want to ~~dry~~ dry my body, I do not want to
be with you. And you do have
and for the ~~last~~ ^{last} time do not lie
to or of any one else about telling me
your privets when ~~they~~ they stick
up. Understand! Senceerally Connor.

1. Tim took pictures of me in my under waer.

2. I saw a picture of Jade naked wearing only sunglasses when she was five or four years old.

3. Tim showed me his peanys when he was peeing.

4. Tim was acting mad towards me for no reason.

5. Tim showed me his privets when he was taking a shower.

6. I showed Jade my privets in a tent because Tim showed me his privets and that made me think it was ok.

7. Tim let me sleep with him.

8. Mom said I should sleep with him but Tim said the rules were different at his house.

9. Paul told me stuff about Cape Code and Tim showed anger towards me.

10. Tim showed me and Jade a bad movie that I wasn't supposed to see.

Tim's dad went to the bathroom
when I was taking a bath.

Tim would force Jade to eat even
when she was full.

Tim would let me run around naked
Jade was in the room.

Tim threw a glass on the floor
when I was sleeping and I was terrified.

When I was in bed with him, he hugged
me and I would face the opposite
direction of where his face was

because I was afraid he would kiss
me and I looked under the bed

and his penis was sticking up. I
was just in my underwear and

Tim was wearing a shirt and
his underwear on. I could see his

ss is because of the light in his
room. 16. Tim let me take a bath

him and we were facing each
other. We'd both be naked.

Saw Tim naked tens of times
in the bathroom, bedroom and once
in the living room.

never saw Tim naked when
anyone was there.

19. I remember Tim beaing
mad when I wet the bed and
he said "shit!"
