RE: Docket No. 96D0228DV2

Dear Dr. AndersEn:

I am in receipt of your letter of January 14, 2005. I am very sorry to learn that this very private information was shared with members of your school department. This is most unfortunate.

There have been no court activities which lead me to believe there is any threat to the health or safety of any staff or students.

Please ask that your staff and the school committee members destroy any documents they received since they are of such a personal nature to this family.

Thank you for bring this most unfortunate matter to my attention.

Very truly yours,

David E. Sullivan
